Welcome, Visitors ... We welcome all worshipers present, and invite everyone to discover the joy of God's unending love. If you would like to join our membership, fill in one of the cards in the pew holders and drop it in the offering plate or hand it to the pastor. Following the worship service, please join us in the Chapel for the reception.

Sermon Synopsis ... On October 28, 1991 there were high winds of 75 mph which affected the East Coast of the United States and Atlantic Canada. The storm created approximately \$200 million of damages. This storm also caused 13 fatalities. The bizarre aspect of this storm is what the meteorologists named it. The "Perfect Storm" was its name. What made this storm so perfect? With all the death and damage that this storm caused, why would it be the perfect storm? Sitting and thinking about this, I reflected on the many storms we go through in life. Some storms are bigger than most, and there are some that can be classified as a perfect storm. I also thought about two storms that the disciples went through, and I will tell you why those storms were perfect...

Prayer Team ... The prayer team meets on the first and third Sabbaths in the parents' room after the worship service. Everyone is welcome. There are three boxes in the narthex for prayer requests, answers, and silent prayers. During the week, please feel free to contact Eustace Mazila (emazho@gmail.com). All prayer requests are confidential except when the team is specifically asked to share.

Children's Sabbath School Pick-up ... Because we are interested in our children's safety, we are asking that all parents pick up their children from Sabbath School promptly at 10:50. This requirement is for all children in the toddlers through primary age groups.
