~~~~~

**Sermon Synopsis ...** Americans are descended from slaves and slave owners, conquerors and the conquered, immigrants, and people who have fought to end immigration. A nation born in contradiction will fight forever over the meaning of its history. In part 1 of this new series, we will explore the importance of religious liberty and what it means to live up to our ideals.

**Guest Organist ...** Ken Rudolf is delighted to have this opportunity to play the new Green Lake organ, since he was organist when the old Balcolm & Vaughan organ was removed and the Casavant installed (1975-77). In 2020, Ken retired from the University of La Verne in Southern California, where he was professor of law and director of the law library for 18 years. He holds degrees in law and library science as well as a Ph.D. in musicology from the University of Washington. Ken is a cousin of long-time Green Lake member Elsie Weaver.
