Pathfinder Bible Experience

Several of our Green Lake youth are members of the Edmonds Evergreen Pathfinder Club. Even though they cannot meet in person, they are still active with regular Zoom club meetings where they work on honors and other activities. One of the optional activities was to participate in the Pathfinder Bible Experience, which is a Bible quiz competition with other Pathfinder clubs. Each year, teams of up to six club members study assigned books of the Bible for the competition. This year they are studying Hebrews, James, 1 Peter, and 2 Peter. Last week, two teams from the Edmonds Evergreen club competed with other area clubs, and the girl's team scored high enough to move on to the next round of competition, where they will compete with clubs from the Washington Conference. They hope to continue on to the Union level competition, and then to the final North American Division competition. The Green Lake kids participating are Marc Ramirez, Andrew Santos, Stephan Santos, Oliver Morrow, Violet Morrow, Elizabeth Josiah, and Katherine Josiah.
