Sermon Synopsis ...

In the short story of Luke 11: 5-8, we find the reality of how we should pray—how we should connect with our Father in the context of the Kingdom of Heaven. He is more than willing to listen and answer our prayers because that's who He is. It doesn't matter if it is in the middle of the night; if we are persistent, it will be given to us; we will find, and the door will be opened to us.

In-Person Church – We are happy to announce that, after more than a year of virtual church services, we will resume worship in the church beginning July 10, provided there are no health directives to the contrary. Exact details of COVID-related protocol are yet to be determined due to the fluidity of the situation. Re-opening the church is for those who feel comfortable coming back. As was our standard practice prior to the pandemic, all in-person services will continue to be livestreamed. Details for Sabbath School classes are yet to be determined. Those who do not feel comfortable in returning can continue to worship virtually.

Pastor McGill's first sermon in the sanctuary will be Sabbath, July 10. We are looking forward to his first online sermon prepared for the Green Lake Church congregation on June 5.

We look forward to seeing many of you in July in the sanctuary and/or at an outdoor opportunity to meet the McGill family Sabbath afternoon **July 10**.

Adult Sabbath ... Sabbath School Quarterlies are available and can be picked up from the Church office or mailed to you.
