Sermon Synopsis ... Rest beckons us—a good night’s sleep at the end of a busy day, Sabbath rest at the end of a chaotic week, a vacation, and, ultimately, eternal rest in heaven. Jesus invites us to participate in heavenly rest starting here and now, a rest that will grow richer and deeper until we find ourselves in the presence of God for all eternity.

Prayer List

Anonymous, family whose child is involved with drugs.

Michelle Carlill, mourning the loss of Dianne.

Mary Churchill, dealing with health challenges.

Linda Heib, recovering from injuries due to a fall.

Karen Smith, Danelle McGill’s mom, recovering from a stroke.

Davy Reid, 6-year-old Dunston family friend, brain surgery—his 40th brain shunt procedure. The family appreciates the GLC prayers.

GLC Childcare and Preschool workers, to be safe working with children.

Thank you for praying for Danelle’s mom, Karen Smith. The neurologist was able to discover the issue this week. She did have a stroke. The physicians did not see the abnormality in the scans initially because it is in an extremely rare location in the brain. We are hopeful she will be able to regain her short-term memory with therapy.
