Children of Greenwood Elementary School from 23 needy families can have a better Christmas season with our help. Of those families, 18 are receiving food bags from the Ballard Food Bank weekly. That distribution will be interrupted by the winter break. As we have done for some years, we plan to provide each with a gift card from Fred Meyer that can be used for food, necessities, or gifts. Terri will be delivering the cards to the school December 13, so she must know about your contribution before then. You can contribute through the church or directly to Terri Smith-Weller via check or Zelle. To receive a donation receipt, contribute through the church BEFORE Thursday, December 9. Or contact Terri Smith-Weller (t.smithweller@gmail.com or 206-579-6877) and pledge money for this special project. Terri must know the amount you are planning to send by 9:00 p.m. Sunday, December 12.

In addition, this year the family support worker at the school wants to give each of those families a gently used puzzle, family game, and some art supplies. Your donation of any of those (gently used) is also welcome. They will need to be received by Terri at the latest Sabbath December 11.

Wanted ... People who own sewing machines, and know how to use them, to help complete the many fleece blankets and pillows Beverly Steinman intended to comfort children in the hospital. If you would like to be part of Beverly's legacy by donating your time and sewing skills, please contact Patti Gibson, 425-745-5379.
