**Sermon Synopsis** ... This week in part 4 of our series about the universality of God, we will examine a misunderstood text from Matthew 7:13-14. "You can enter God's Kingdom only through the narrow gate. The highway to hell is broad, and its gate is wide for the many who choose that way. But the gateway to life is very narrow, and the road is difficult, and only a few ever find it." Is it difficult to be saved? Is the "Goodnews" only good for a few people? Join us this week as we explore the heights and depths of the love of God.
