**Sermon Synopsis ...** Abigail: The opportunist or the peacemaker? You may know Abigail as one of the many wives of David, but she is more than just a wife. She is one bold, intelligent, and courageous woman that creates equality in the midst of precariousness. This woman resisted the violence of war in her home by being a provider of food. Quite an unusual way to do things! Was she keeping the peace or being an opportunist by trying to attach herself to the rising power, David?
