POSTLUDE

Carillon Sortie
Doug Cleveland, organ

Henri Mulet

~~~~~

**Sermon Synopsis** ... Jesus once told his religious audience that they would know the truth, and the truth would set them free. However, for the truth to bring freedom, it has to overcome the resistance to change. As we will see in this week's sermon, change never comes easily. It's typically only in retrospect that the changes that truth-telling brings will be respected.
